~Dive into a veritable wonderland of happy, hidden gems with Global Desi's Resort '16 collection; #GreatFinds~

Mumbai, April, 2016: Global Desi welcomes you to a world of starry-eyed wonder, a world where plans fall by the wayside because anything is possible. It's now time to unfold little surprises as you set out on a journey to find wonder in minor things and blanket your vision in a riot of colors. So, get ready to take over the forgone land of vintage charms, forgotten old keys, and strands of ivy, as you explore a new world of wonder and whimsy, with **Global Desi** where it is all about **#GreatFinds**.

Inspired by the undaunted curiousness of an explorer, Global Desi's latest collection is set against a flea market and reflects the many possibilities of discovering all things beautiful. A little magic, some fairy dust, a few stray melodies or a treasure-chest of surprises... Who knows what you can find!

Featuring an eclectic fusion of style staples mixed with effortless edge, the collection makes your indolent heart forgo your own way in flair. Captivating in chic separates and flowing silhouettes with bohemian undertones, the collection's rhythm and movement of prints express a touch of lace and tassel detailing. Subtle prints add a dash of surprise in cotton, rayon, dobby with stunning embroidery, turning it into a visual feast; available in the form of leisurely maxis, eccentric bomber jackets, lace shrugs with fringe and tassel detailing, bold flared bottoms and tunics with a boho twist. The color palette ranges from whites and indigo's to warmer hues of yellows, oranges and blues amidst undertones of whites and blacks.
